EASY CLEAN

Hand washing made easy

Easy Clean is a brand new patented **hand cleaner** which offers many advantages over similar gentle products. It removes **heavy fat stains, grease, glue, oil, tar, asphalt, ink, wax, carbon stains, graphite, grass stains and resin**, amongst others.
Easy Clean combines a powerful cleaning solution with a microfiber cloth developed especially for thorough wiping.
The special **Easy Clean cleaning solution** dissolves grime but is gentle on hands. The cloth retains the dirt.
Easy Clean is more effective than soap and water, is convenient and easy to use and provides a better alternative to solvents.

Application

- Remove most of the dirt using the darker textured side of the cloth, then polish with the soft side to achieve a completely clean residue-free finish.
- To remove ingrained dirt apply the darker side of the cloth. Leave to soak in, then rub. If the stain has not come out, leave to soak for longer.
- Skin may feel slightly sticky after use due to moisturising emulsion, as absorption time varies according to skin type.
